The Tropical Agriculturist.

The Agricultural Journal of Ceylon.

Founded 1881.

Published by
The Department of Agriculture,
Peradeniya.

Vol. LXXIII.

Containing Numbers 1 to 6.
July to December, 1929.

PRINTERS:—CAVE COLOMBO.

IMP. BUR.
10 MAR. 1930
ENTOM.

INDEX.

Volume LXXIII. July-Dec., 1929.

Number.	Month.	Page.
1	July	1- 64
2	August	65-128
3	September	129-192
4	October	193-256
5	November	257-320
6	December	321-387

C.—*Contd.*

Competition, Pahala Talampitiya Co-operative Society Paddy Weeding 316
Competitions in Kotmale Division of the Nuwara Eliya District during 1929, Plantain and Vegetable Garden - 316
Conference of Empire Meteorologists, 1929; Agricultural Section - 347
Control of Red Weevil (*Rhyncophorus ferrugineus* F.) in Coconut Palms 131
Co-operative Society Paddy Weeding Competition, Pahala Talampitiya 316
Cowpea: A Useful Legume - 90
Cows, Temporary Sterility of Dairy - 168
Crop Production, Application of Science to - 317
Crosses of Hevea Trees in the Experimental Garden of Soengi Pantjoer, Tapping Results and Other Observations concerning - 279
Cultivation, Coconut - 116
Cultivation Competition held in Pitigal Korale North, Paddy - 315
Cultivation Competition held in Pitigal Korale South, Paddy - 315
Cultivation Competition held in Rajakumara Wanni Pattu, Paddy - 315
Cultivation Competition in Matale District, Curry-Stuffs - 253
Cultivation Competition in the North-Western Division, Medicinal Herbs 253
Cultivation of Roselle Fibre and Its Possibilities—(*Hibiscus Sabdariffa* var. *Altissima*). - 229
Cultivator, Agricultural Implements Suitable for the use of the Indian - 240
Cultural Experiments 1917-1928, Statistical Examination of the Data of Manurial and - 222
Curry-Stuffs Cultivation Competition in Matale District - 253

D.

Dairy Cows, Temporary Sterility of - 168
Data of Manurial and Cultural Experiments, 1917-1928, Statistical Examination of the - 222
Decomposability of Fibre Dust, Manurial Value and - 272
Departmental Notes 126, 182, 250, 315
Deraniyagala School Home Garden Competition - 253
Disease in Ceylon, Occurrence and Significance of Oidium Leaf - 92
Disease of *Mucuna prurians* DC., Sclerotial - 74
Disease of Young Rubber Buddings, Preliminary Note on a - 238
Disease Return, Animal 63, 127, 191, 255, 319, 386
Drainage and Leaching Trials at Peradeniya during 1928, Results of 265
Dust, Manurial Value and Decomposability of Coconut Fibre - 272
